**FOR IMMEDIATE RELEASE**

## **MASSARO PROPERTIES, LLC ADDS QPS ENGINEERING, LLC AT PARK WEST 2**

Pittsburgh, PA – Massaro Properties, LLC is pleased to announce that QPS Engineering, LLC (QPSE) has relocated its office from 1300 Commerce Drive, Coraopolis to a larger 5,200 sf space in Park West 2 located at 2000 Cliff Mine Road, Findlay Township.

QPSE provides project management, engineering, integrity services, procurement, field services, environmental services, survey and construction services (working with other Quanta construction companies) for pipeline, associated oil and gas production facilities.

Park West 2 is a 93,000 SF office building conveniently located at the Montour Run exit of I-376.

The leasing efforts were handled by Lisa M. Fiumara, Sales Associate for Massaro Properties and Jamie Pivarnik, of CBRE.

*“Working with Jamie and Lisa simplified the task of finding the right office space for my company. I was guided through the process with the right amount of detail to keep from getting overwhelmed, with enough say to still make it a personalized space. Massaro Properties took my explanation of what I needed in an office space and created a space that is fully-functional and has attributes beyond what I could have known to ask for.”* commented Rebecca Pfeufer, Environmental Scientist
